Off to a Great Start!

Fall is here and we have had a great start to our new school year! Although the weather is still rather warm, the days are getting shorter and there is a feeling of fall in the air.

We have already started to learn many lessons in class and in Chapel Time. Did you know that God made you special? Sure He did! The students learned that they are unique and wonderfully made during "All About Me" week. Did you realize that math is everywhere and that "Clever Cat" makes a really neat sound? Ask your child if he or she knows that

sound.

In chapel we have learned about what a BIBLE is and what we would read in this book. One of the first stories we taught is that God made the world and everything in it, including us! We should take care of God's creation. One way we can take care of God's creation is through our Chapel Offerings.

This year during Chapel Time we will take up a voluntary offering that will benefit the Heifer Project. The Heifer Project allows the students to actually decide how to spend the money they

have donated by voting on which animals they wish to purchase for the organization. The first animals the children have voted for are bunnies and ducks.

Ducks can lay up to 75 eggs a year, so the benefits add up quickly for families in need of protein and a means of income. Your gift of ducks grants the opportunity to lift a community out of hunger and poverty.

Keep an eye on the Parent Information Board to see our chapel money goals!

Happy Birthday to everyone with October Birthdays!

Events Coming up Soon

The Fuquay–Varina Fire Department will be visiting A.P.P.L.E.Seeds Preschool to help promote “Fire Safety Week”. They will come on Thursday, October 1st and on Friday, October 9th. The children will get to see their truck and all of the equipment they

need to help keep us safe in the event of a fire.

We will be having monthly fire drills to practice evacuating the building. Please talk to your children to help them understand that yes these drills are loud and may be scary, but they are very important to do so we know what to do at school and home in case of a fire.

Fish the Magish will amaze us with his awesome magic tricks that also come with a character trait lesson!

Moe's Spirit Night

Come and eat and leave your receipt!

WELCOME TO MOE'S!

Dine in or take out anytime from 4:00PM - 8:00PM on October 14th at Moe's Southwest Grill on Broad Street in Fuquay.

You will all receive flyers to take to Moe's for spirit night. You may copy and hand them out to family, friends and neighbors. We will need some

volunteers to help out that night. See the PVO board to sign-up!

No cooking required, just show up, eat and turn in your flyer! APPLESeeds will receive a portion of the total receipts. Looking forward to seeing you all there!

Halloween Parade

Get ready to get dressed up in a silly costume and parade around the school during our annual Halloween parade. On Thursday October 29th and Friday, October 30th the children may bring a costume to school in the morning to wear during the parade.

Please no scary or inappropriate costumes.

The students will eat lunch early then parents are invited to come at 12:00 to help the children get dressed into their costumes and stay for the parade.

Mission Statement

"We are the Church, growing in faith, reaching out, inviting in, and serving the needs of all of God's children. We nurture the development of every child, teacher, and family by implementing current Developmentally Appropriate Practices and integration of Christian values in a safe, loving, and grace-centered environment."

Verse of the Week

We are trying something new this year!

Every two weeks the whole school will learn a new Bible verse. Each class will go over the verse during their group time and we will also learn the verse during chapel time. This is a great way for you all at home to become involved as well!

September's verses were "By the grace of God I am what I am". 1 Corinthians 15:10 and "For ye are all the children of God." Galatians 3:26

October's verses are:

Weeks of October 6 and 13th -
"In the beginning God created the heaven and the earth", Genesis 1:1

Weeks of October 20th and 27th -
"He gave us rain from the heaven, and fruitful seasons", Acts 14:17

Please take the time to go over these verses with your child. What part of the Bible did they come from? What does the verse mean?
